El sistema mostrara el modulo de POS (Punto de Venta)

The screenshot displays the SisMod POS interface. On the left is a sidebar with navigation options: Inicio, Ventas, Inventarios, Facturacion, Reportes, Configuracion, and SisMod Apps. The main area features a header with 'SisMod POS', user information 'Usuario: Yana Mendoza / Empresa: 101000 - SisMod Apps', and 'Cerrar sesión'. Below the header is a product selection area with input fields for 'Producto', 'Cantidad' (1.00), and 'Total' (\$ 0.00), along with an 'Agregar' button. A table with columns 'Modelo', 'Producto', 'Cantidad', 'Precio', and 'Precio Neto' is present but empty. To the right is a settings panel with fields for 'Tipo de Cambio' (USD 18.00), 'Sucursal' (1 - SISMOD APPS), 'Fecha' (17/9/2024), 'Terminal' (10025), and 'Folio' (7). At the bottom is a numeric keypad with buttons for 'VENTA', 'PROD', 'PROD.IMG', 'MOD.PREC', 'CAN VEN', 'CORTES', 'CLIENTES', 'REIMP', 'DEVOL', 'CAN_PROD', and 'RETIRAR', plus a numeric grid (0-9, ., DEL, ENTER).
